Willows understand that any repairs, damage to your home, property, building or office can be very distressing and inconvenient.

So here at Willows we aim to provide a service to you which is second to none.

HOW QUICKLY CAN WE ATTEND?

Here at Willows we will attend when it is most convenient to you.

WHAT SERVICES DO THEY OFFER?

Willows specialise in the maintenance and refurbishment sector. We can offer services from a dripping tap to a full central heating system or from fixing loose doors to building new rooms.

WHAT TO DO NEXT

Just fill out the attached form and post it to our local office.

Alternatively visit: www.willowsbms.co.uk
You can also call us on **01777 869 500**.

SERVICES ON OFFER

PLUMBING

Our skilled technicians can make short work of everyday plumbing emergencies.

Trouble with your boiler? Whether it is gas or Solid fuel, we are just a phone call away.

Blocked drains? Not a problem with Willows high pressure water jetter.

JOINERY

With our trained joiners we can make short work of any joinery works you may have.

All aspects of joinery can be taken care of, whether it is boarding up, hanging doors or new timber work Willows can do it all.

BRICKLAYING

Whether you need a garden wall or a new extension Willows have the staff and the resources to carry this out.

GENERAL

No matter what sort of work you require. Willows are just a phone call away.
